## Esotericism and Freemasonry

By John Bizzack

*Masonic History & Study Group, Lexington, Kentucky*

Esoteric Masonry is the personal exploration to some of the less mainstream areas of the fraternal society. Some of these aspects include personal development, spiritualism, mysticism, and so forth. It can include aspects of its history not commonly looked at by mainstream historians or participants. Also, it investigates lines of religious thought that exists on the fringes of

mainstream doctrine. Investigation does not mean they work to prove (or disprove) one aspect, or another, to the contrary, the esoteric side of Masonry seeks find additional sources of wisdom and understanding.<sup>1</sup>

In essence, those who explore and travel beyond the horizon in any number of studies are considered esoteric – not just in Freemasonry.

The term itself carries with it some mystery, but usually it is because of unawareness or misinformation about not only the term, but what exoteric studies involve. There have indeed been books, papers, presentations, sources and references, along with general conversation about esoteric considerations that may seem to make no sense to one who is not seeking to explore beyond the mainstream. To many the mainstream is enough to contemplate, and all Masons seeking Light do not always follow the same path.

As with the many other areas of Masonic philosophies, there's always more to examine, explore and interpret. Becoming familiar with this aspect of Masonic study, even if one chooses not to pursue it, offers Light and better understanding that, as free thinkers, Masons follow the path that leads them to the most Light in their journey.

Brother Jeffrey R. Miller  
DDGM District 3

Fraternal Greetings Brethren!

Brethren several Lodges in the district will be having stated meetings this month. Most of them will be holding elections and installation of officers. Show your support of the incoming Masters as they assume the East in their Lodges. Please refer to the online district directory for Lodge contact information and meeting night. The district directory is password protected so you will need to contact your Lodge secretary for the password.

2021 will a challenging time not only for your Blue Lodge but also for the appended bodies. Support Scottish Rite, York Rite, and the other bodies attached to Freemasonry. If you are not a member of these organizations now is the time to join. They offer additional insight to the Craft as we travel on our journey of Freemasonry! Remember that you must be current in your Blue Lodge dues to continue your membership or to join any of the bodies mentioned above.

Please mark your calendar for June 19, 2021. Eureka West Shore No. Lodge 302 will be sponsoring a trip to the Masonic Temple in Philadelphia. The trip will be open to Masons and their ladies. It will include lunch and a tour of the Temple along with the conferral of a Master Mason Degree in the Norman Hall. There be will other activities for the non-masons while the Degree is being conducted. This will be a great time of fellowship and fun for all. Additional details to follow in a future newsletter.

I look forward to seeing each of you as I travel the Masonic trail throughout 2021. I will be attending a lot of extra meetings this year. The Worshipful Masters of District 3 know that I love Degree work! I enjoy a good extra meeting and supporting the Brethren who confer the Degrees. Until I see you, please be safe in your travels.

Have a great day in Freemasonry!!

## From the Desk of Brother Kenneth W. Womack, PM Principal, Third Masonic District School of Instruction

Brother Kenneth W. Womack  
Principal District 3 SOI

Brethren all,

Once again, we find ourselves returning to labor following a second break due to the pandemic. As noted in the newsletter last month, we will continue to adjust the SOI schedule as necessary until we can meet again on a regular basis.

At the SOI scheduled for February 22nd, we will cover Business of the Lodge/Reception of DDGM, and since the RWGM has decided all balloting will be done with the ballot box, we will do a quick review of balloting. Brother Miller, DDGM, would also like to make a few remarks on banquets and protocol. Eureka-West Shore Lodge No. 302 will exemplify the work.

The intent of SOI is to enhance the ability of Lodge Officers to learn the work, as authorized by the RWGM, necessary to their position in the Lodge, and to provide other Brethren the opportunity to better their Masonic knowledge of ritual. Unfortunately, given the restrictions on attendance in the room, we can only have 31 Brethren attend SOI this month. Twenty-four seats will be available for the Lodges, or roughly three each. Given that we are doing BOL/Reception of DDGM and the ballot box this month, I request that each Lodge have the WM, SD and Pursuivant attend this meeting if at all possible. If we remain restricted for additional months, we will modify this attendance based on the work being done.

The DDGM has directed that, for the first six meetings each year (January through June), when he attends your Lodge for any stated meeting other than for an official visit, he should be received using Option No. 1 from the ritual manual. For official visits, he will continue to be received using Option No. 3 from the ritual manual. He will coordinate with WMs for visits in the remaining months of the year or for any special occasions.

Since we have limited the number of Brethren who can attend SOI, if your Lodge would like to have a principal attend one of your rehearsals for any reason, particularly a Grand Lodge Officer visit or DDGM official visit, please let us know and we will make someone available.

Brethren, I look forward to resuming SOI, and I hope it won't be too long until the restrictions on attendance can be lifted and we can resume the robust attendance we had before the restrictions.

Fraternally,

Kenneth W. Womack  
Principal, District 3 School of Instruction

### The Masonic Nugget

#### **Why are Firetrucks Red?**

Do you know why firetrucks are red? Well, firetrucks have four wheels and eight men. Four and eight are twelve.

There are twelve inches in a foot. A foot is a ruler. Queen Elizabeth is a ruler. She is also the largest ship ever on the seven seas. Seas have fish and fish have fins. The Finns fought the Russians. The Russians are red. Firetrucks are always rushin', therefore, firetrucks are always red.

If you think this is wild, you ought to hear some of the excuses men use to explain why they haven't been to recent meetings.

Carlisle Lodge No. 260 will be conducting a special meeting on Tuesday February 9, 2021 at 7:00 p.m. for the Election and Installation of Officers. This will be an open installation.

Carlisle Lodge No. 260 will be conducting a regular Stated Meeting on Tuesday February 16th at 7:30 p.m. The program for the evening will be “The Man Who Would Be King”, presented by Brother Yassar Al-Khatib, PM via Zoom. This iconic novel by Brother Rudyard Kipling turned into a movie by John Huston in 1975 with Sean Connery, Michael Caine, and Christopher Plummer as cast. A story written by a Mason and filled with Masonic symbology. But that is not all, the character of the man that the story could have been built upon is even more fascinating!

The program is being presented by Yassar Al-Khatib, PM. Currently Brother Yassar Al-Khatib serves as the Worshipful Master of The Lodge of Research.

## Community Activity Spotlight!

This month Carlisle Lodge donated \$300 to the SAVE OUR SMALLS charity. This charity takes the money it raises and purchases gift cards and products from local small businesses in the Carlisle community and gives them to local charities and front-line workers.

## Social Activity

On January 19th, a few of the brothers gathered online for a game of Jeopardy. Everyone had a good time and even learned a thing or two. I do not think Ken Jennings has anything to worry about, if I do say so myself, as I am not expecting a call from Jeopardy anytime soon.

### **Community Outreach**

Quentin Mills is 16 months old and was diagnosed with a medulloblastoma brain tumor on Oct. 29, 2020. He is currently being treated at CHOP, Children's Hospital of Pediatrics, in Philadelphia. He has had 2 brain surgeries, a shunt put in his brain, and was battling a blood clot in his brain. He also had an allergic reaction to one of his chemotherapy treatments. Quentin will have 6 months of chemotherapy followed by 30 days of radiation and will need rehabilitation afterwards.

Quentin's family have been long term supporters of the areas children in need by supporting and donating to local charities, one of whom is the American Legion Riders Post 373 in Greencastle who hold yearly Children's Benefit Rides to raise awareness and funds for area children in need. This year they found themselves in need and the community reacted.

On December 20, 2020, Orrstown Lodge 262 was proud to assist with the Greencastle Legion Riders and Widows Sons: PA Marked &

Hewn chapter in support #QuentinStrong, by making a \$500 donation from our Almoners Fund to assist this brave 16-month-old fight medulloblastoma.

### Freemasons on Stamps

Many of you probably know of prominent Masons who have been featured on US postage stamps over the years. People such as George Washington, Benjamin Franklin, and Gerald R. Ford to name a few. This month I want to recognize a name that you may not be familiar with. Before I begin, a little background on myself. I have been collecting US stamps for about 45 years - starting back in 1974 when it cost 10¢ to mail a First-Class letter. I generally collect unused US stamps but in more recent years, I have acquired a few First Day Covers – these are simply envelopes with a stamp that is postmarked by the US Postal Service on the date that the stamp was first issued. They often have some explanatory text about the subject of the cover and the one I wanted to share with you was prepared by the George Washington Masonic Stamp Club to honor Claire Chennault. You're probably wondering who he was so I'll quote the text of the First Day Cover to explain:

CLAIRE LEE CHENNAULT

Sept. 6, 1890 – July 27, 1958

Air Force General – Member of: League City Texas Lodge No. 1053 – Orient of China AASR – Islam Shrine Temple. Leader of American Volunteer Group (AVG) which defeated Japan in air-to-air battle over China at a rate of 23-1 aircraft downed. Bro. Chennault told his men to “use your speed and diving power to make a pass, shoot and break away.” The Chinese gave them the name of Fei Hou or Flying Tigers.

From the desk of the Secretary,

We Plan to begin Stated and Extra Meetings again in February. The February Stated Meeting (February 18, 2021) will begin with the Election and Installation of 2021 Officers. We expect to have a program by Brother Kirk Davis titled "A Walk through Time with General George Washington". Brother Davis gave a very interesting program recently as Doctor Samuel Mudd. We also expected that the Lodge Audit Committee will be presenting the Audit Report for 2020. We are still limited to 25 Brothers including the Officers.

One of our members, John C. Doyle, will be 100 years old on February 7, 2021. It would be wonderful if you could spread the good news and have a Birthday Card Shower for him. His address is: 6596 Orphanage Road, Room 262-A, Waynesboro, PA 17268. It would also be nice for the Brethren to call Jack from time to time to say hello. He is not able to read his emails. He is able to hear on the phone. His telephone number is 717-762-3855. Thanks so much. John was a long time Steward and Trustee for the Lodge before moving to the Quincy Home.

We will have an extra Meeting on Tuesday February 23rd when we will be initiating Brandon Richard Clevenger.

If anyone is interested in renting Garage Space, the Lodge has a one car garage available for rent at \$50.00 per month behind the Lodge.

Greetings from the East,

The Pennsylvania Lodge of Research (PALOR) was constituted in 2001 and as of 2020 is proud to be part of the Third Masonic District. We thank you for accepting us to your family and look forward to strengthening our bonds of brotherhood and fellowship. The PALOR meets twice a year across various locations within our jurisdiction and dedicates its work to Masonic Study. For 2021, we ventured to plan three meetings for a multifold purpose: 1) to account for any possible COVID related cancellations or shutdowns 2) to make up for 2020 as we could not meet and 3) to spread more Masonic Light. All Pennsylvania Master Masons are welcome to take membership in PALOR. To do so reflects your commitment to Masonic Education and to the improvement of self and others. To become a member you must fill a petition, pay the joining fee (\$75) and the annual dues (\$25) for a \$100 total. All members receive the PALOR Pocket Jewel, Lapel Pin, and the subsequent transactions of the Lodge of Research when published. Our meetings feature Masonic Speakers/Programs with diverse topics that aim at educating, engaging and empowering Masons from across all walks of life. You do not have to be a member of PALOR to attend our meetings. All Master Masons are welcome. However, we hope that you take the step to join us in 2021 to support the tradition of Masonic exchange of light.

All our meetings conclude with a lunch banquet and this year our projected program is as follows:

- Saturday, June 5, 2021, 10 AM-1 PM at the Johnstown Masonic Temple (Installation of officers followed by 2 Speakers)
- Saturday, September 4, 2021, in or near Reading (2 Speakers)
- Saturday, December 4, 2021, at the Allentown Masonic Temple (1 Speaker and Installation of Officers)

As the WM, I welcome the opportunity to receive you at our meetings and to share with you our passion for Masonic Education. To get more information about the history and membership of PALOR please visit our website at <https://palodgeofresearch.org/>.

Fraternally Yours,

Yasser Al-Khatib

## Academy of Masonic Knowledge

<https://pamasonicacademy.org/>

The Pennsylvania Academy of Masonic Knowledge strives to create an environment that encourages Masons to seek a greater understanding of the nature and purposes of Freemasonry in all its many aspects – past, present, and future – and to share that understanding with others.

To this end, the Academy offers learning opportunities in which Masons may participate in dialogues with similarly inclined brethren, witness prominent Masonic scholars discussing various aspects of Freemasonry, and pursue home study at their own pace and in their own areas of interest, through publications on Masonic subjects recommended by the Academy.

In addition to providing a learning experience for Freemasons, the Academy is a vehicle affording recognition to Masons who share their knowledge of Freemasonry with fellow Masons or the public by the written or spoken word. All Pennsylvania Masons are eligible to participate in the Academy's Certification Process, culminating with the designation as a Master Masonic Scholar. External studies programs are currently the fastest growing of all educational methods and the most diverse. The Committee of the Academy of Masonic Knowledge will attempt to provide to you the basic tools and principles for your study. How well you use these tools in your pursuit of Masonic knowledge will be analyzed and determined through your Evaluation Reports. It is important to your success that you not only know the subject, but that you demonstrate an ability to identify and apply the Masonic principles you have learned. The best ideas are those that work and the best scholars are leaders who set the pace for putting their thoughts and knowledge into action.
